Green Butte Copper Company, Portal Shed

HAER No. AK-9-H

Location: In the upper camp at Wrangell-St. Elias National Park & Preserve, McCarthy vicinity, Valdez-Cordova County, Alaska

Date of Construction: ca. 1921-1925

Builder/Designer: Unknown

Present Use: Abandoned

Significance: Used as part of the Green Butte Copper Company mining operation. The 50' x 17' structure has a cliff face that forms part of the wall. It is constructed of milled boards and post beams. Besides serving as the original blacksmith shop and generator room, the building contains innumerable artifacts from the 1920s.
